

# Instructions for Idaho Form 51

*(Return this form only if you are making a payment.)*

## A. GENERAL INFORMATION

If you cannot file your Idaho tax return by April 15, 2002, you will be allowed an automatic six-month extension without filing a written request. To qualify for an automatic extension, you must file your tax return by October 15, 2002. However, an extension of time to file your return is not an extension of time to pay your tax. To avoid penalties, you must pay 80% of your current year tax liability or 100% of the tax reported on your income tax return for the preceding year, if one was filed. If you will owe \$50 or less, a payment is not required.

Complete the tax payment worksheet below to see if you owe additional tax. If you owe additional tax but cannot file by April 15, 2002, use Form 51 below to mail in your payment. Your payment must be postmarked by April 15, 2002.
